DOWN LIGHT

Belluga

- Die-cast Aluminum body
- Mains voltage 220-240V / 50-60Hz
- Emergency kit system can be integrated
- Different body color options
- Long life up to 50,000 hours
- 1-10V, DALI, Switch dimming options available
- Clever thermal design
- High efficiency opal diffuser

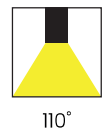

Model	Code	Power	CRI 80				CRI 90			Dimensions
